Oral/Poster Contributions

Oral Contribution

Selection of oral presentation will be based on originality, innovation and state of development of the research (not a review article). Totally, 28 oral presentations will be arranged. A period of 15 minutes (12 minutes talks + 3 minutes discussion) will be provided for each speaker. Please present:

1. Your presentation file (power point format) in a USB memory OR
2. Your own computer to the file registration counter at the conference hall for at least 2 hours prior to the presentation.

Poster Contribution

An area of 80cm(W) x 120cm(L) will be provided for each poster. To emphasize the importance of poster presentations, the best poster award will be arranged. Due to the high cost needed to rent a poster panel, the organizing committee would like to limit the number of poster to be 1 poster/participant. Pin and tape for holding a poster with a panel will be provided at the registration desk.

Call for abstracts

Research dealing with NIRS and its applications are welcome to our meeting, both as oral and as poster presentations. The tentative sessions are as follows;

Agricultural, Food, Pharmaceutical, Medical, Polymer, Chemistry, Basic Science and Advance Technology

During the period of June 1 - July 15, 2008, please send your 1-page [abstract \(download template here !\[\]\(95b425611cbd2b8716a140cf67c81822_img.jpg\)](#)) to Sirinnapa Saranwong (Mui) at sirinnap@affrc.go.jp Please use the *.doc or *.rtf file for submission and please indicate the corresponding author in your e-mail. The selection results for oral presentation will be sent to each author by the end of July.
