Invitation letter for Sponsorship or Donation for the 2nd Japan-Taiwan Joint NIR Workshop

Dear Sponsors,

We are writing to you as a supporter and promoter of NIR technology for assistance for our upcoming the 2nd Japan-Taiwan Joint NIR Workshop being held March 7-8, 2019 in Nagoya University, Japan. The first Japan-Taiwan Joint NIR Workshop was held last year in National Taiwan University with about 40 participants. This joint workshop consists of one-day symposium, panel discussion, and study tour. We will grow the relation over the next decade with the aid of JCNIRS and ANC. Both Japan and Taiwan have great potential for use of NIR spectroscopy in various fields in industry and this workshop brings many experts of NIR spectroscopy and the related technologies. We are currently offering sponsorship opportunities. All sponsors will be given the opportunity to distribute product brochures and to place a logo on the event website.

If you would like to participate in the 2nd Japan-Taiwan Joint NIR Workshop as a sponsor, please contact us (office@jcnirs.org).

Thank you for your time and consideration.

Sincerely,

Satoru Tsuchikawa

To: office@jcnirs.org

The 2ndJapan-Taiwan Joint NIR Workshop Sponsor Agreement

(deadline: March 1st, 2019)

Sponsor Levels	20,000 (JPY) × _____ = _____ (JPY)
